TO VIEW TWO INFORMATIVE PRESENTATIONS.

About the AmeriCorps*State Grant:

AmeriCorps grants are generally awarded to eligible organizations to recruit, train, and manage AmeriCorps members who address unmet community needs. AmeriCorps members are individuals who engage in community service. Members may receive a living allowance during their term of service. Upon successful completion of their service members receive an education award from the National Service Trust.

The Corporation for National and Community Service's mission is to improve lives, strengthen communities, and foster civic engagement through service and volunteering. Special consideration may be given to projects that address one or a combination of five strategic initiatives that meet critical needs of our nation, achieve national service goals, and address community problems:

1. Mobilizing more volunteers
2. Ensuring a brighter future for all of America's youth
3. Engaging students in communities
4. Harnessing baby boomers' experience
5. Disaster preparedness and response

*An additional

*AmeriCorps*State* goal is Promoting healthy Hoosiers
